Dear Afp,

My name is Casey Lowe and I'm privileged to serve with Charlotte Berry & Kathleen Robinson (co-chairs of our nomination's committee) as membership director for National Association of Nonprofit Organizations & Executives (NANOE).

I have exciting news. Afp, *you've been nominated to NANOE's prestigious Board of Governors!* **You were selected because you spend vocational and/or volunteer time working with ASSOCIATION OF FUNDRAISING PROFESSIONALS.**

(Please Note: NOMINATIONS CLOSE December 31, 2016)

Here's what's in store for members of NANOE's Board of Governors.

NANOE Governors will be invited to review and codify NANOE's *New Guidelines for Tomorrow's Nonprofit*. This new set of governing best practices **empower nonprofit CEOs by formalizing significant changes in executive management, board structures and organizational by-laws. These "practices" supercharge nonprofit capacity-building by providing CEOs what they need to succeed.**

Afp more specifically, you were selected to review these *New Guidelines* because you are a:

...STAFF MEMBER, SENIOR EXECUTIVE OR CONSULTANT at a for-profit company that provides products or services to charitable organizations.

...STAFF MEMBER, SENIOR EXECUTIVE OR CONSULTANT at a government agency that serves the human welfare, education, healthcare, arts, animals, environmental and/or public benefit sectors.

...STAFF MEMBER, SENIOR EXECUTIVE OR BOARD MEMBER at a foundation or corporation that makes gifts or grants to charitable organizations.

...STAFF MEMBER, SENIOR EXECUTIVE OR CONSULTANT, DONOR,

VOLUNTEER OR BOARD MEMBER at a non-profit organization that serves the human welfare, education, healthcare, arts, animals, environmental and/or public benefit sectors.

Here are some more details regarding your involvement with this project. “Charity” has been paralyzed by a set of failed “best practices” that turned the Non-Profit Sector into a Non-Growth Sector decades ago. Present day systems were established in the late 1950’s by industry associations that knowingly persist in methodologies detrimental to the general public. In response, NANOE formed a working group of thought-leaders (renowned practitioners, volunteers, academicians and philanthropists from across the Nation) to research and develop a new set of capacity-building “competencies” that empower nonprofits in ways previously thought to be impossible. *This esteemed group has completed five years of arduous work and are ready to make an initial submission TO YOU for evaluation. **You will be the first to react and respond to these transformational practices during NANOE’s Capacity-Building Convention & Expo in Columbia, SC on March 7-8, 2017.*** This comprehensive review will require contributions from a wide-array of industry professionals from all stations within the public, private and charitable sectors. Vendors, CEOs, staff members, administrators, donors, board members and clergy who work or volunteer in the human welfare, education, healthcare, arts, animals, environmental and/or public benefit sectors *like yourself* have been nominated.

Simply put, NANOE will RELY ON YOUR EXPERTISE to refine, improve, strengthen and distribute these new guidelines that super-charge nonprofit capacity-building.

Please feel free to call our offices with any questions you may have at (800) 957-0981 ext 2.

Congratulations on your nomination. We thank you in advance for your consideration. I look forward to knowing you personally to better understand your goals for the future. Until that time I remain,

Sincerely Yours,

Casey Lowe
